

MGM UNIVERSITY
CHHATRAPATI SAMBHAJINAGAR

INSTITUTE OF SOCIAL SCIENCES

MGM UNIVERSITY

MGM University was established by the Mahatma Gandhi Mission (MGM) Trust in 2019 as a self-financed State University. Approved by the Government of Maharashtra under MGM University Act, 2019 (Maharashtra Act No. XXVI of 2019) and accorded the 2(f) status by UGC, India, MGM University is the first University in Marathwada to fully implement the NEP 2020. The University offers over 340 programs in a spectrum of streams ranging from Engineering and Technology, Management and Commerce, Basic and Applied Sciences to Social Sciences and Humanities, Performing Arts, Design and Interdisciplinary Studies.

DEPARTMENT OF SOCIAL WORK

An integral part of the Institute of Social Sciences at MGM University, the Department of Social Work is dedicated to the study of social challenges. Driven by an interdisciplinary approach, the Department integrates social work, public health, and community development to equip students with the knowledge and skills needed to promote public health, social justice, and sustainable community well-being. It enhances their understanding of different socio-medical problems and enables them to address the issues with various social intervention techniques. Empowered with sound theoretical knowledge and robust practical experience, the students create a brighter future not only for themselves but also for their society.

ACADEMIC PROGRAMS

Bachelor of Social Work (BSW) (Hons):

In this program, students learn about the principles of social justice, community development, and human rights. The study equips them with foundational skills in social services through hands-on experience, ethical practice, and advocacy for individuals and communities in need.

Eligibility: HSC (10+2) in any stream from a recognized board

Duration: 4 years | 8 Semesters

Master of Social Work (MSW):

The program provides advanced education in social studies and services. Focused on complex social challenges, the program emphasises more on practical learning to through actual fieldwork and projects. Students gain expertise in different social interventions, research methods, and advocacy and prepare for leadership roles in diverse settings such as healthcare, schools, and community organizations.

Eligibility: Any graduate with minimum 45% marks (40% for candidates from reserved category and PwD) from a recognized University

Duration: 2 years | 4 Semesters

Master of Public Health (MPH):

The program provides advanced training in public health spheres including epidemiology, biostatistics, health policy, and community health. Students learn to design and implement health programs, conduct research, and advocate for health equity, preparing for leadership roles in public health agencies, non-profits, and global health organizations.

Eligibility: Medical science graduate or any graduate with 2 to 5 years work experience in health sector.

Duration: 2 years | 4 Semesters
